Department of Computer Engineering
University of Peradeniya
CO226-Database Systems

Lab Number : 03
Topic   : Introduction to PHP
Lab Date   : 11th March 2020 from 2:00 PM to 4:00 PM
Due Date   : 16th March 2020 before 11:55 PM
Submission   : Submit the html files and php files for the given tasks in a zipped file named E16XXXLab3.zip. Here XXX is your Registration number.

Lab Task 1 :

Create the following web page using HTML and CSS. The page could be used to order T-shirts online. Using this form, user can select the size of the T-shirt as small, medium and large. The colors to choose are Red, Purple, Blue and Green. User could also buy extra items such as Cap and Wrist band. Finally user needs to enter delivery address and any comments regarding the purchase. Using the buttons given, user can order T-shirts, search for existing orders, change orders and delete orders.

Buy T-shirts Online

Fill out the form below and click "Order Now" to order

Search by order number: [   ] [Search]
